Memories
like the corners of my mind.
Misty water color memories
of the way we were.

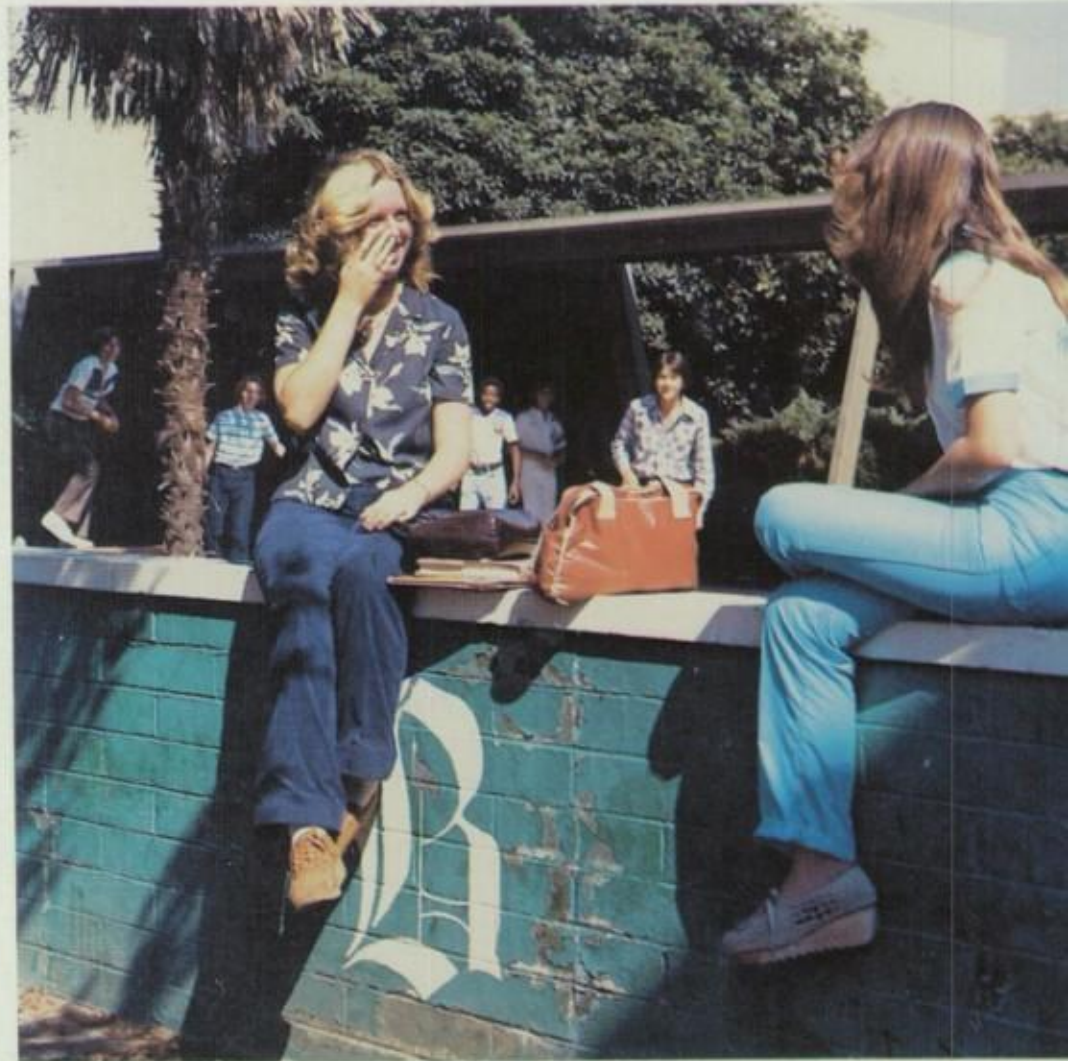

Scattered pictures of the smiles we left behind,
smiles we gave to one another
for the way we were.

Can it be that it was all so simple then,
or has time rewritten every line?
If we had the chance to do it all again,
tell me would we?
Could we?

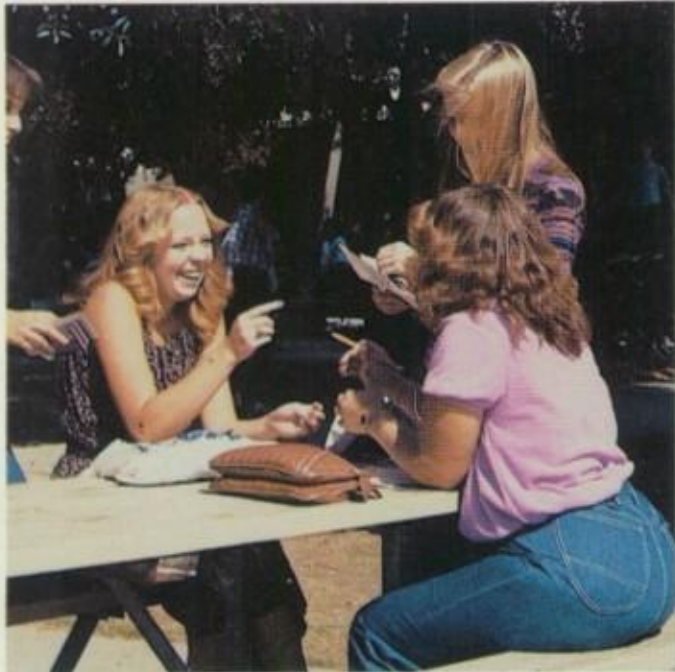

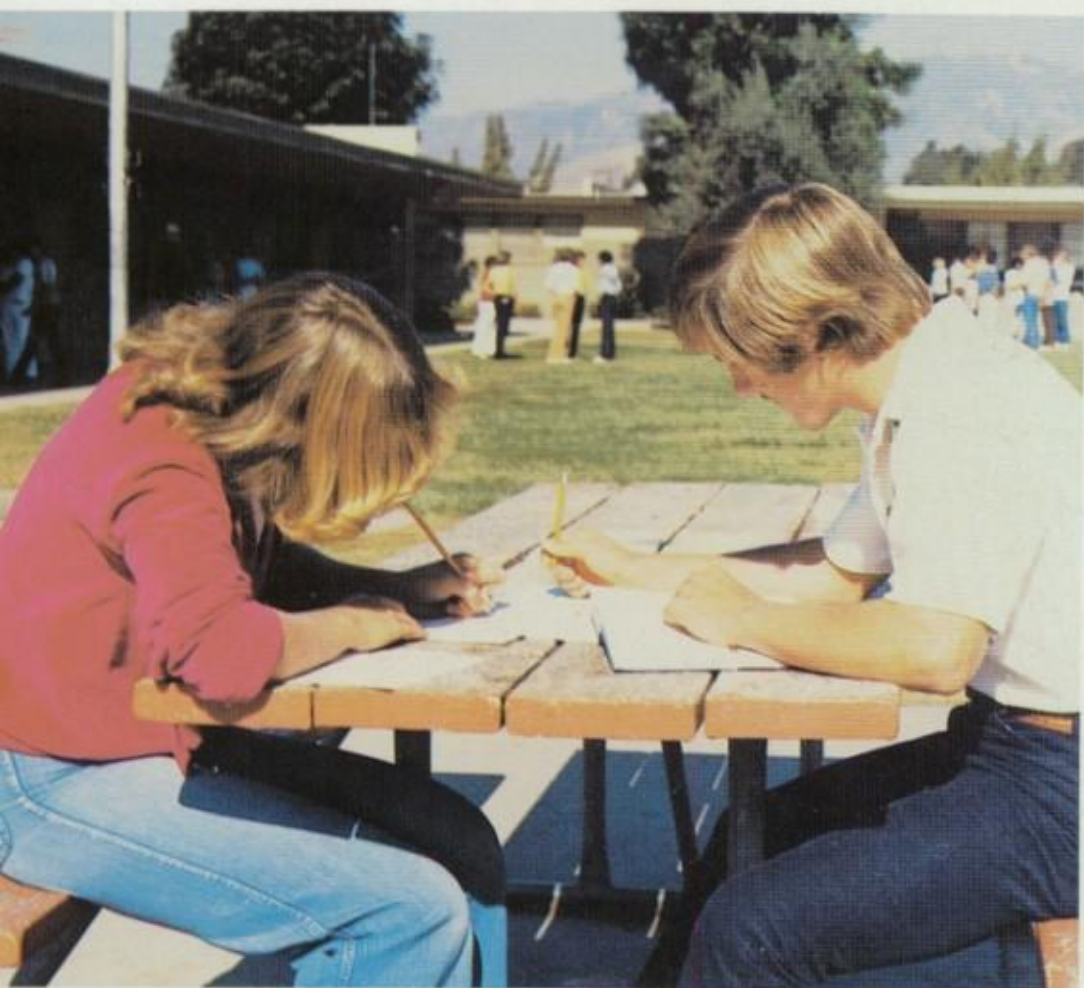

Memories may be beautiful, and yet,
what's to painful to remember
we simply choose to forget.

So it's the laughter we will remember,
whenever we remember
the way we were,
The way we were.

Smile your on Candid Camera!!

In memory of

Nancy Sutton
1965-1980

Gurpreet Bedi
1965-1980

Margaret Rodriguez
1962-1980

When I must leave you
for a little while,
Please do not grieve
and shed wild tears
And hug your sorrow
to you through the years.
But start out bravely
with a gallant smile:
And for my sake
and in my name
Live on and do
all things the same.
Feed not your loneliness
on empty days,
But fill each waking hour

in usefull ways,
Reach out your hand
in comfort and in cheer
And I in turn will comfort you
and hold you near,
And never, never
be afraid to die,
For I am waiting
for you in the sky!

We part with our loved ones
but not forever
If we trust God's promise
and doubt it never!

TRACK

Bonita has never had the reputation for a winning track team, and this year was no exception. The season started with a disappointing loss to Pomona and didn't seem to get much better. This was mainly caused by the tough league they found themselves in and the inexperience of the majority of the team members, who needed some time to discover what event was right for them. With the great potential shown by many team members, track should be able to change their reputation within the next few years.

In the background, there is a long, single-story school building with a flat roof and several windows. Some trees and bushes are visible between the students and the building. The students are dressed in casual clothing typical of the late 1970s or early 1980s, such as t-shirts, jeans, and sweaters. Many of the students are smiling and some have their hands raised.

The time has come to say "Good-Bye". It has been a great year. New friendships have been made while old ones continue to roll on, from these we are left with fond memories.

Bonita has given me an education, a chance to participate in athletics, and a chance to show pride. But most of all, Bonita has given me friendships that will last forever. I hope that the Student Body's friendships and memories are kept alive with this Book.

At this time I would like to thank everyone who was involved in the production of this Yearbook. I would like to express my very special thanks to Mrs. Schultz for her help and to Jan Kiilebuh, for coming in as a substitute teacher and caring about the production of the yearbook, for it was through her support, as well as a very close friend, that enabled me to make it through the deadlines. I would also like to thank John Thomas, our Yearbook Representative, for being so patient with me as well as devoting so much time to this Yearbook. Mr. Barr, our photographer, also deserves my thanks for all the time he put into taking and developing our pictures. Last, but far from least, I would like to thank my staff. I would especially like to thank them for putting up with me when I was in my cranky moods around deadline time, as well as for the great job they did in producing this book. It was because of my staff that this Yearbook was such a success.

Now we part one from another, but I hope the memories will live on forever!
